

# A Celebration of the End of the Oregon Train—175 Years

October 7, 2018 12—4:00 p.m.  
Tumwater Falls Park

Don Troser will open the program with the trip over the Oregon Trail by our Tumwater founders, the Simmons/Bush party in 1844, and tell us why they extended the trail north to Puget Sound in 1845, in what had been British-controlled territory.

The Cascadian Living History Troupe brings the past to life with hands-on activities for all ages. Among their offerings — drop-spindle spinning, rug braiding, period toys and sing-along songs with banjo, dulcimer, bones and spoons.
